Oh Fionna

Adventure Time / Season 3, Ep 9: Fionna and Cake
Air date: September 5, 2011

I feel like nothing was real, until I met you.

I feel like we connect, and I really get you.

If I said “You’re a beautiful girl,” would it upset you?

Because the way you look tonight, silhouetted, I’ll never forget it.

Ooh, ooh, Fionna.

Your fist as touched my heart.

Ooh, ooh, Fionna.

I won’t let anything in this world keep us apart.

I won’t let anything in this world keep us apart.

This episode featured gender swapped versions of all characters in the show. In fact, ‘Fionna’ is the gender swapped version of Finn!
I wanna sing a song to you, and I refuse to make it fake.

What am I to you? Am I a joke, your knight, or your brother?

What am I to you? Do you look down on me 'cause I'm younger?

I just wanted us together and to play as a band,

I'll forget that I lost a piece of your hair,

I'll remember the pasta that we shared, over there.

Oooh, you are my best friends in the world,

You are my best friends in the world.

That's right, I'm talking 'bout the two of you girls.

And you, Jake.

Make no mistake I'm gonna sing a song that feels so real it'll make this dooooor break!
Remember You
Adventure Time / Season 4, Ep 25: I Remember You
Air date: October 15, 2012

Marceline, is it just you and me in the wreckage of the world?
That must be so confusing for a little girl.
And I know you’re going to need me here with you.
But I’m losing myself, and I’m afraid you’re gonna lose me too.

This magic keeps me alive, but it’s making me crazy.
And I need to save you, but who’s going to save me?
Please forgive me for whatever I do,
When I don’t remember you.

Ukulele Tips

Strumming for Beginners
One of the most difficult things for beginner ukulele players is finding the ‘correct’ strum pattern for a song. It depends on the song of course! Strumming is about rhythm, and there’s no one pattern that will fit all songs. That said, here are some of my most used patterns for 4/4 time:

d: down strum   u: up strum
-: pause    x: chunk

d - d u - u d u

When I don’t remember you.
Please forgive me for whatever I do,
When I don’t remember you.

Please forgive me for whatever I do,
When I don’t remember you.

Marceline, I can feel myself slipping away.
I can’t remember what it made me say.
But I remember that I saw you frown.
I swear it wasn’t me, it was the crown.

This magic keeps me alive, but it’s making me crazy.
And I need to save you, but who’s going to save me?
Please forgive me for whatever I do,
All Gummed Up Inside

Good Little Girl

Adventure Time / Season 5, Ep 11: Bad Little Boy
Air date: February 18, 2013

Good little girl, always picking a fight with me.
You know that I’m bad,
But you’re spending the night with me.
What - do you want - from my world?
You’re a good little girl.

Bad little boy, that’s what you’re acting like.
I really don’t buy,
That you’re that kind of guy.
And, if you are -oh - why do you want to hang out with me?

< Marshall’s Rap >
Don’t you know I’m a villain? Every night I’m out killin’ sendin’ everyone runnin’ like children.
I know why you’re mad at me. I’ve got demon eyes and they’re looking right through your anatomy.
Into your deepest fears, baby I’m not from here. I’m from the nightosphere.
To me you’re clear, transparent. You gotta thing for me girl, it’s apparent.

< Cake >
OH! OH! I gotta hot potata, and I got two hot tomatas.
Well, they’ll make a good sauce maybe. So I’ll shake my bottle, baby.

I’m shakin’ and shakin’
and shakin’ and shakin’
and shakin’ all over the table. The table,
for as long as I am able.

Marshall Lee the Vampire King is voiced by the musician Childish Gambino, Donald Glover!
Can you rap like he can?

Wondering when I’m coming back.
I could do about anything.
I could even learn how to love, like you.

I know I’m not that tall,  
I know I’m not that smart.  
But let me drive my van into your heart,  
Let me drive my van into your heart.

I know I’m not that rich,  
I’m trying to get my start.  
So let me drive my van into your heart,  
Let me drive my van into your heart.

And if we look out of place,  
Well, baby, that’s okay.  
I’ll drive us into outer space,  
Where we can’t hear what people say.

I know I don’t have a plan,  
I’m working on that part.  
At least I’ve got a van,  
So let me drive my van into your heart.

Let me drive my van into your heart
Let me drive my van into your heart
Let me drive my van into your heart
Let me drive my van into your heart

**Fingerpicking / Plucking**

Most songs in this book sound fine with strumming, but fingerpicking them gives them a whole new feel. But what is fingerpicking (aka plucking)? It’s simple – using your fingers to pluck individual strings or chords. The first way uses your thumb, index, and middle finger to cover the four strings. An alternative is to use your thumb, index, middle, and ring finger so that one finger takes one string. Here’s what I use for a few of the songs:

‘Good Little Girl’:
```
T T T T
M M M M
I M I M

Giant Woman

All I wanna do, is see you turn into,
A giant woman. A giant woman!
All I wanna be, is someone who gets to see, a giant woman.

< Repeat above once w/o last G7 >

Oh I know it’ll be great, and I just can’t wait,
To see the person you are, together.
If you give it a chance, you can do a huge dance,
Because you are, a giant woman.

You might even like, being together,
And if you don’t, it won’t be forever.
But if it were me, I’d really wanna be,
A giant woman. A giant woman!
All I wanna do, is see you turn into, a giant woman.
